Position responsibilities and duties:

- Organizes and sets up course equipment for class.
- Sets up digital roster, greets course attendees, oversees sign-in, and collects course payments.
- Provides textbooks or collects course completion certificates.
- Instructs course following program guidelines utilizing course videos and program materials as required by each program.
- Ensures a safe and welcoming classroom environment
- Tests students as required, follows exam security protocols.
- Disinfects all equipment used following decontamination policy, stores equipment.
- Cleans classroom after class.
- Completes roster and all required paperwork, submits paperwork digitally.
- Completes other tasks as required.

Qualifications:

- Must hold current AHA BLS Provider or AHA BLS Instructor certification.
- Ability to speak confidently in front of a classroom as well as able to hear, understand, and respond to course participant questions.
- Physically able to perform and demonstrate the lifesaving skills of BLS, CPR AED, and First Aid.
- Ability to sit, stand, kneel, bend over, crouch, push, pull, and lift equipment bags/totes up to 40 pounds.
- If providing class to clients on location must have reliable transportation, a valid driver's license, and a clean driving record.
- Be able to pass a pre-employment screening background check.
- Must be enthusiastic, responsible, articulate, well-organized, and dependable.
- Must follow company ethics code, conflict of interest policy, and dress code.
- Flexible availability as classes are held during the day, evenings, and weekends.

Required Education and Experience:

- Must be at least 18 years of age.
- Hold current AHA BLS Provider Certification or higher.
- Currently possess or able to obtain AHA BLS Instructor certification within 60 days of hire.
- Currently possess or able to obtain ARC, HSI, or other instructor certification as needed within 60 days of hire.
